I. Getting Started

A. Introduction

This manual provides instructions on how to use the Electronic Case Filing System (ECF) to file documents with the Court, or to view and retrieve docket sheets and documents for all cases assigned to this system. Users should have a working knowledge of Internet Browser software and the conversion of documents to portable document format (PDF). Users should also be familiar with all procedures and standing orders issued by the United States District Court for the District of Delaware.

B. Help Desk

Contact the Clerk's Office Intake Section between the hours of 8:30 A.M. and 4:30 P.M., Monday through Friday, if assistance is needed using ECF.

Intake Section Number 302-573-6170

C. ECF System Capabilities

ECF allows users with Internet accounts and Internet Browser software to perform the following functions:

1. Electronically file pleadings and documents in actual ("live") case.
2. View official docket sheets and documents associated with cases.
3. Request notification of case activity in cases in which the user is not a party.
4. View various reports for cases that were filed electronically.

D. Resources

Access the Court's website at www.ded.uscourts.gov to:

1. Self-train on a web-based ECF Tutorial.
2. View or download the most recent version of the User's Manual.

II. Requirements

A. Hardware and Software Requirements

The following hardware and software are needed to electronically file, view and retrieve case documents:

1. A personal computer running a standard platform such as Windows 95,98, NT, XP, ME or Macintosh.
2. An internet connection (dial-up, broadband).
3. Internet browser including: Internet Explorer (version 6.0 or higher), Mozilla Firefox (version 1.5 or higher). (Netscape Navigator browser (any version) no longer supported)
4. Software, such as Adobe Acrobat Writer to convert documents from a word processor format to portable document format (PDF).
5. A scanner, set to 300 pixels per inch or higher, to convert documents that are not in the user's word processing system.

Note: This would only be used for documents that cannot be produced electronically. Scanned documents lessen the level of service we provide by slowing down the entire system. File size is limited to no more than 4 megabytes.

6. Access to electronic mail (e-mail).
7. ECF username and password.

B. PACER Registration

ECF users must have a PACER account with the Court in order to use the Query and Report features of ECF. The United States Congress has given the Judicial Conference of the United States authority to impose user fees for electronic access to case information. All registered agencies or individuals will be assessed the charge of \$.08 per page. Generally, a page is defined as 54 lines of data. Additionally, there is a cap on the \$.08 per page charge for a maximum of \$2.40 (the equivalent of 30 pages) for electronic access to any single document. When charges are accrued, a transaction receipt will appear before the document is viewed. This receipt will indicate the date and time of the transaction, the type or description of the transaction, the number of pages billed and the cost for that particular transaction. The user can click the "View document" button to proceed, or use the browser's back button to cancel the request. The PACER Service Center sends quarterly statements to account holders. For any balance that is less than \$10, billing will be deferred until the next quarter.

For more information regarding billing and payment requirements or to register for a PACER login, contact the PACER Service Center at (800) 676-6856 or (210) 301-6440. The PACER Service Center can be accessed online at <http://pacer.psc.uscourts.gov>. There is no fee to obtain an account and an account can be shared by a firm. It does not have to be set up by individual attorneys. It takes approximately one week to receive a login and password from the PACER Service Center.

C. Registering for Access to ECF

1. All users of CM/ECF must register with the Court to receive a log-in and password. Registration information is available on the Court's web page at www.ded.uscourts.gov.
2. Attorneys admitted to the bar of this Court, including those authorized to represent the United States, shall register as users of CM/ECF prior to filing any pleadings. Prior to registration, attorneys must attend a training session sponsored by the Court. Registration shall continue to be effective provided the user remains a bar member in good standing.
3. An attorney retained in a criminal case who is not admitted to the bar of this Court shall register as a user of CM/ECF solely for purposes of the criminal action. Registration requires identification of the case as well as the name, address, telephone number and Internet e-mail address of the attorney. Familiarity with Delaware's CM/ECF practices and procedures will be required.
4. Upon approval of the judge, a party to a case who is not represented by an attorney may register as a user of CM/ECF solely for purposes of the action. Registration requires completion of a court-provided training course, identification of the case as well as the name, address, telephone number and Internet e-mail address of the party. If, during the course of the case, the party retains an attorney who appears on the party's behalf, the attorney must advise the Clerk of Court to terminate the party's registration as a user upon the attorney's appearance.
5. A user registered in CM/ECF shall not allow another person to file a document using his or her log-in and password, except as an authorized agent of the user. Use of a user's log-in and password by an authorized agent shall be deemed to be the act of the user. Attorneys who are not admitted to the bar of this Court or admitted solely pro hac vice shall not be considered authorized agents.
6. Registration constitutes consent to service of all documents by electronic means as provided in these procedures.

III. Preparation

A. Setting Up the Acrobat PDF Reader

Users must set up Adobe's Acrobat Reader or other PDF reader software in order to view documents that have been electronically filed in ECF. All pleadings must be filed in PDF format. When installing this product, please review and follow Adobe's directions to utilize Acrobat Reader after installation.

B. Portable Document Format (PDF)

Only PDF documents may be filed with the Court using ECF. Before electronically filing with the Court, users should preview the PDF formatted document to ensure that it appears in its entirety and in the proper format.

1. How to View a PDF File using Adobe Reader

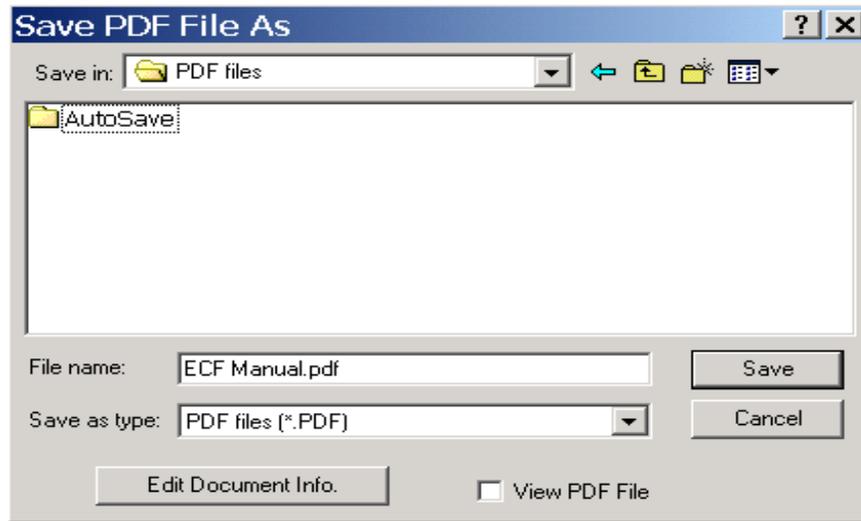

- a) Start the Adobe Acrobat program.
- b) Go to the **File** menu and choose **Open**.
- c) Click on the location and file name of the document to be viewed.
- d) If the designated location is correct, and the file is in PDF format, Adobe Reader loads the file and displays it on the screen.
- e) If the displayed document is larger than the screen or consists of multiple pages, use the scroll bars to move through the document.
- f) Click on the **View** menu for other options for viewing the displayed document. Choose the option that is most appropriate for the document.

2. How to Convert Documents to PDF Format

All documents must be converted to PDF format before submitting them in ECF. When documents are scanned or converted into PDF, the recommended setting is 300 pixels/dots per inch. The conversion process requires special software such as Adobe Acrobat Writer or FinePrint pdfFactory. WordPerfect versions 9 and above have Acrobat Writer functionality built-in and can also be used to convert documents to PDF. Some word processing conversion functions do not always capture the correct formatting of the document or fully optimize the output PDF file, and may produce a larger file size than through Adobe Acrobat Writer.

3. Using any Word Processing Program

- a) Install Acrobat Writer or FinePrint pdfFactory or other PDF writer product on the computer.
- b) Open the document to be converted.
- c) Select the **[Print]** option (generally found in the File menu) and in the dialog box select the option to change the current printer. A drop down menu with a list of printer choices is displayed.
- d) Select the PDF writer product.
- e) "Print" the file. The file should not actually print out; instead the option to save the file as a PDF format file appears.

- f) Make a note of the file location so that the document may be found when it is ready to be uploaded. Change the location if necessary by clicking in the “Save in” area of the window.
- g) Please note that ECF will not accept PDF files that are password protected.
- h) Name the file, giving it the extension .PDF and click the [Save] button. There are no specific requirements for the file name.

***Note:** Depending on the word processing program being used, it may be necessary to find the printer selection option elsewhere. At that point, change the printer to PDF Writer, and follow the directions above.*

IV. Basics

A. User Interactions

There are three general types of user interactions permitted by ECF:

- 1. Entering information in data fields.
- 2. Using command buttons to direct system activities.
- 3. Mouse-clicking on hyperlinks.

B. Conventions Used in This Manual

- 1. Data to be entered by the user is shown enclosed in angle brackets: < data to be entered >.
- 2. Command buttons are represented in this manual in **[bracketed boldface type]**.

3. Hyperlinks are represented in **underlined boldface type**.

C. Documents Filed in Error

A document incorrectly filed in a case may result from; a) posting the wrong PDF file to a docket entry; b) selecting the wrong document type from the menu; or c) entering the wrong case number and not discovering the error before completing the transaction. To request a correction, speak with the **Clerk's Office Intake Section at 302-573-6170** as soon as possible after an error is discovered. Provide the case and document item number for the document requiring correction. If appropriate, the Court will make an entry indicating that the document was filed in error. The user will be advised if the document must be re-filed. ECF does not allow changes to be made to misfiled document(s) or incorrect docket entries after the transaction has been accepted.

D. Viewing Transaction Log

This feature, selected from the **Utilities** menu, allows the user to review all transactions ECF has processed with the user's login and password. If a user believes or suspects someone is using his or her login and password without permission, the user should change the password immediately, and then telephone the Clerk's Office Intake Section at 302-573-6170 as soon as possible.

E. User's Manual

The most recent version of the ECF User's Manual (in PDF format) can be downloaded from the District Court's web page at <http://www.ded.uscourts.gov>. When the Court's web page opens, click on the **CM/ECF** hyperlink.

F. Case Numbers

A case number is assigned to every case filed in the Court. The number is assigned by year filed, case type, and sequential number. For example, 03-CV 40094 was filed in 2003, is a civil action, and was assigned docket number 40094.

Criminal case numbers also include the defendant number. The defendant number is determined by the order in which the defendants are listed on the charging instrument (criminal complaint, indictment, or information) This order is not changed by the filing of superseding charges, unless directed by the Court. An example of a criminal case number is 03-CR 10234. A criminal number including a defendant number is 03-CR 10234-002.

The case number is divided into four sections: Office number, case calendar year, case type, and case sequence:

1:	03	cv	10002
Office/Division number 1 - Wilmington	Case Year assigned by year case is filed	Case type cv - civil cr - criminal mc - miscellaneous mj - Magistrate Judge	Case number assigned sequentially by the Clerk's Office

G. ECF Login and PACER Screen

Users electronically filing a document or updating the User Account (e.g., altering e-mail notification information), may enter ECF using the Court-generated ECF login and password. During the session, if the user deviates from either electronically filing a document or maintaining the user account by clicking on the query or report menus, the system will prompt for the PACER issued login and password. If the user chooses "Make this my default PACER login", the system will link the PACER information to the user's ECF login and password. At that point, the user will not be required to re-enter the user's PACER login information while working in ECF.

If a user wishes to only generate reports (e.g., view a docket sheet or query case information), he or she may initially enter the system using the PACER issued login and password. If filing functionality or the ability to maintain the user account is then needed, select the UTILITIES menu from the main blue menu bar. From that menu, select ECF Login, and enter the Court issued ECF login and password. An explanation of the login procedure is displayed above the prompt boxes on the login screen.

The client code field is an optional field provided on the login screens for tracking purposes during PACER (report and query) functions. It can contain up to 32 characters. If a client code is entered for a transaction, the client code will be presented on the billing statement generated by the PACER Service Center. A client code will not appear on the bill unless it is entered at the time of transaction. Because this code feature is optional, it must be enforced within a user's office.

H. "Back" and "Forward" Buttons

The [**Back**] and [**Forward**] buttons advance or reverse one screen at a time. If an error has been made or the user needs to verify entries on a previous screen, click the [**Back**] button to the specific screen. The [**Forward**] button moves a screen ahead to return to the target screen. However, if a change is made, use the [**Next**] button to progress.

Please note that ECF may logout a user if too many consecutive back buttons are hit during one transaction. The system may assume there is a security failure or

the user may have backed out to the login screen.

The user may always exit an ECF transaction before it is committed by using the **[Back]** key or clicking on another menu selection from the top of the frame.

I. The "Tab" Key

ECF screens are navigated by using the mouse, however the user may also use the **[Tab]** key and space bar to move through the data entry fields in most screens. Active or "focus" buttons have a faint dotted outline around them. A focused button may be activated by hitting the space bar. The user can also use the **[Shift]** key and the **[Tab]** key simultaneously to move back one field at a time.

J. Selecting Multiple Parties or Events

Most of ECF's selections appear in alphabetical order in drop down lists. Multiple items may be selected from certain lists, such as the motions list, by clicking on selections in the same drop down list. All selected items will appear in the box to the right. To remove a selected item from this box, click on it.

K. User Supplied Text

Users may supply additional text or augment the system-supplied text in the blank windows provided. Any text supplied will be displayed on the docket sheet in *italic print*.

V. A Step-By-Step Guide

Below is a step-by-step guide for entering ECF, preparing a document for filing, filing a motion or application, and displaying a docket sheet. We suggest that users review these steps before trying to file a document in the live system.

D. Manipulating the Screens

Each screen has the following two buttons:

1.  clears **all** characters entered in the box (es) on that screen.
2.  or  accepts the entry just made and displays the next entry screen, if any.

E. Correcting a Mistake

Use the **[Back]** button on the browser toolbar to go back and correct an entry made on a previous screen. However, once the document is transmitted to the Court, only the Court can make changes or corrections.

F. Signatures

1. Attorneys

The user log-in and password required to submit documents to ECF shall serve as that user's signature for purposes of Fed.R.Civ.P.11 and for all other purposes under the Federal Rules of Civil Procedure and the Local

Rules of this Court. All electronically filed documents must include a signature block and must set forth the attorney's name, address, telephone number and e-mail address. The name of the ECF user under whose log-in and password the document is submitted must be preceded by a "/s/" and typed in the space where the signature would otherwise appear.

2. Multiple Signatures

The filer of any document requiring more than one signature (e.g., stipulations, joint status reports) must list thereon all the names of other signatories by means of a "/s/_____" block for each. By submitting such a document, the filing attorney certifies that each of the other signatories has expressly agreed to the form and substance of the document and that the filing attorney has their actual authority to submit the document electronically. The filing attorney shall retain any records evidencing this concurrence for future production, if necessary, until two (2) years after the expiration of the time for filing a timely appeal. A non-filing signatory or party who disputes the authenticity of an electronically filed document containing multiple signatures must file an objection to the document within ten days of the date on the NEF.

3. Affidavits

Affidavits shall be filed electronically; however, the electronically filed version must contain a "/s/_____" block indicating that the paper document bears an original signature. By submitting such a document, the filing attorney certifies that each of the other signatories has expressly agreed to the form and substance of the document and that the filing attorney has their actual authority to submit the document electronically. The filing attorney shall retain the original for future production, if necessary, for two (2) years after the expiration of the time for filing a timely appeal.

VI. Civil Events Feature

Registered users will use the Civil feature of ECF to electronically file and docket with the Court a variety of pleadings and other documents for civil cases. This section of the manual describes the basic steps required to file a single motion with the Court. The process is consistent regardless of the event.

A. Filing a Civil Complaint

Beginning February 1, 2008, civil and miscellaneous case opening documents, such as a complaint, petition, or notice of removal, together with a summons, civil cover sheet, Rule 7.1 disclosures, and any accompanying motions, may be filed electronically into case number 99-mc-9999(a holding case for initial documents), provided that, in instances in which a filing fee is due, the user is either paying via credit card or submitting an application to proceed without prepayment of

fees. As an alternative, case opening documents can also be filed with the Clerk's Office during regular business hours by delivering the documents both in paper format and on a properly labeled 3.5" floppy or compact disk in PDF.

When provided for issuance, the Clerk's Office will return to plaintiff's counsel a signed and sealed summons for service of process on defendants. A party may not electronically serve a civil complaint but shall effect service in accordance with Fed.R.Civ.P. 4.

Detailed instructions are available on our web site at www.ded.uscourts.gov under "Attorney Filing of Civil Case Opening Documents".

B. Filing Documents for Civil Cases

There are ten basic steps involved in filing a document. After successfully logging into ECF, follow these steps to file a pleading.

1. Select the type of document to file.

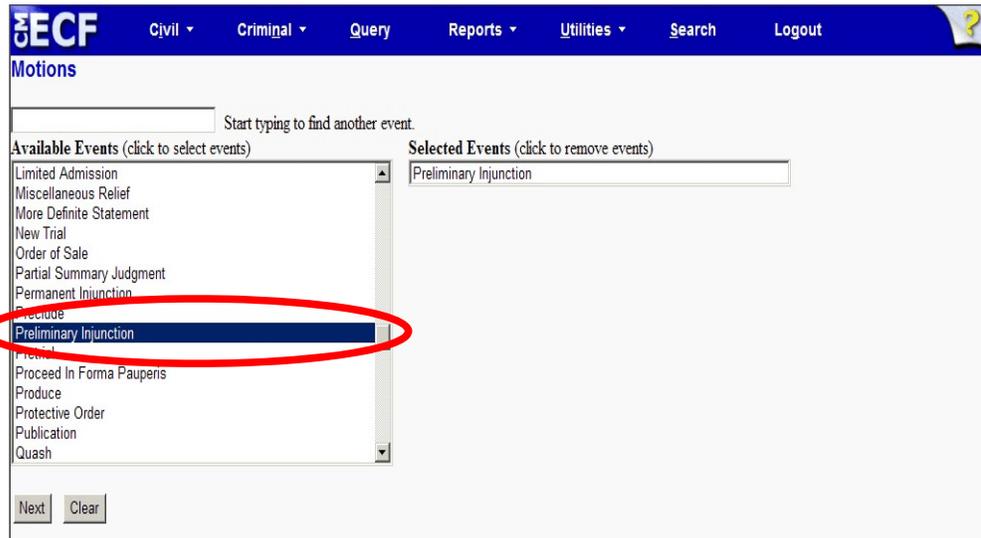

Select **Civil** from the blue menu bar at the top of the ECF screen. The Civil Event window opens displaying all of the events available to the user. The user may choose either the Static or Cascading menus. This section of the User's Manual describes the process for filing a **Motion** in ECF. The process is similar for filing other pleadings.

Click on **Motions**, under Motions and Related Filings.

2. Select the appropriate document or motion type from drop down list.

The **Motions** screen appears and displays a motion selection field with a scroll bar next to it. Scroll through the menu until the specific type of motion is located.

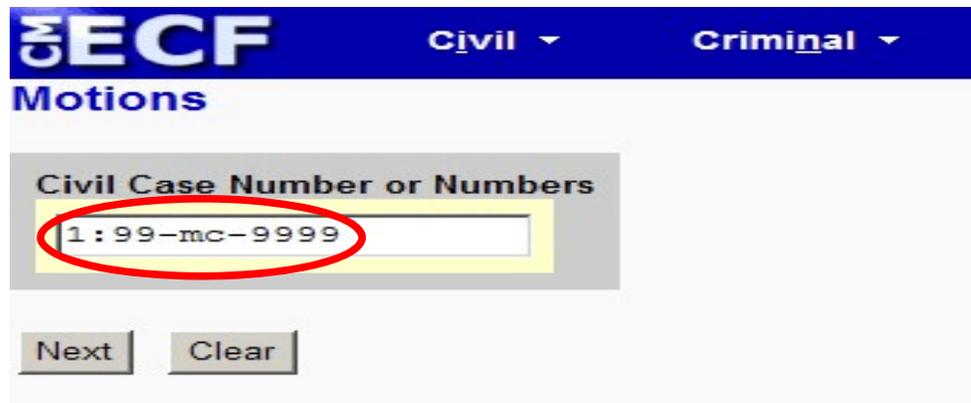

For demonstration purposes, highlight **Preliminary Injunction** and click on **[Next]**.

***Note:** To select more than one motion, click on each of the desired multiple forms of relief.*

3. Enter the case number in which the document is to be filed.

A new screen opens with a Case Number field. Enter the number of the case in which the motion is being filed and click on **[Next]**.

- a) If the number is entered incorrectly, click **[Clear]** to re-enter.
- b) When the case number is correct, click on **[Next]**.

4. Designate the party or parties filing the document.

The screenshot shows the ECF Motions interface. At the top, there is a blue navigation bar with the ECF logo and menu items: Civil, Criminal, Query, and Reports. Below the navigation bar, the page title is "Motions" and the case identifier is "1:99-mc-09999 Plaintiff(s) v. Defendant(s)".

The main interface is divided into two panels. The left panel, titled "Pick Filer", contains a tree view with a "Collapse All" link and an "Expand All" link. Under the "1:99-mc-9999" case, there are two entries: "Defendant(s) dft" and "Plaintiff(s) pla". The "Plaintiff(s) pla" entry is selected. The right panel, titled "Select the filer.", contains a "Select the Party:" label and a list box with two options: "Defendant(s) [dft]" and "Plaintiff(s) [pla]". The "Plaintiff(s) [pla]" option is highlighted. At the bottom of the right panel, there are three buttons: "Next", "Clear", and "New Filer".

Highlight the name of the party or parties on whose behalf the motion is being filed. If the user represents all defendants or all plaintiffs, he or she may select the entire group by holding down the control key while pointing and clicking on each party of the group.

After highlighting the parties to the motion, click on the [Next] button.

Note: *If the party does not appear and should, contact the help desk. If this is a new party to the case, see the section of this manual titled Add/Create New Party.*

5. Specify the PDF file name and location for the document to be filed.

ECF accepts the party or parties selected and refreshes the screen to display a new screen depicted below. ECF displays a field for locating and entering the PDF file of the document being filed.

Note: *Attach an electronic copy of the actual document when prompted by ECF. All documents to be filed in ECF MUST reside in PDF format. Otherwise, ECF will not accept the document and the transaction cannot be completed. Also note that ECF will not accept PDF files that are password protected.*

9. Notice of Electronic Filing (NEF).

ECF opens a new **Motions** window displaying an ECF filing receipt.

The screenshot shows the ECF Motions window. At the top, there is a navigation bar with the ECF logo and menu items: Cjvll, Criminal, Query, Reports, Utilities, Search, and Logout. Below the navigation bar, the page title is "Motions" and the case information is "1:99-mc-09999 Plaintiff(s) v. Defendant(s)". The court information is "U.S. District Court" and "District of Delaware [TEST]". The main heading is "Notice of Electronic Filing". The text below reads: "The following transaction was entered by Ware, Dela on 11/4/2009 at 12:11 PM EST and filed on 11/4/2009". The case details are: "Case Name: Plaintiff(s) v. Defendant(s)", "Case Number: 1:99-mc-09999", "Filer: Plaintiff(s)", and "Document Number: 16". The docket text is "First MOTION for Preliminary Injunction to cease and desist- filed by Plaintiff(s). (Attachments: # (1) Exhibit)(Ware, Dela)". Below this, it states "1:99-mc-09999 Notice has been electronically mailed to:" followed by the email address "Dela Ware delaware@anyplace.com, wilmington@delaware.com". It then says "1:99-mc-09999 Notice has been delivered by other means to all listed below, except for the filer of the document:". The final section is "The following document(s) are associated with this transaction:" followed by two document descriptions. The first is "Document description:Main Document" with original filename "n/a" and an electronic document stamp: "[STAMP dcecfStamp_ID=1079733196 [Date=11/4/2009] [FileNumber=57141-0] [1f1a273aa62496b820f7b679b590ef3b104b33dbd903ada6e63365a497a4daaed9872 17bd6006850b1eeb8c25b4bcdb896d2170fca1499caab15ad86535be086]]". The second is "Document description:Exhibit" with original filename "n/a" and an electronic document stamp: "[STAMP dcecfStamp_ID=1079733196 [Date=11/4/2009] [FileNumber=57141-1] [d4a3dbc967a89abf7b53d8c1edc6914d3e267c40951bad3d17b14916b2574c6fb3f8a 22e2692273d436cf1e3229eef7d877b1c3dc4327bd06da0dc6be76fd91]]".

- a) The screen depicted above provides confirmation that ECF has registered the transaction and the motion is now an official Court document. It also displays the date and time of the transaction and the number that was assigned to the document. Users should note this number on the document's PDF file.
- b) Select [**Print**] on the browser toolbar to print the document receipt.
- c) Select [**File**] on the browser menu bar, and choose **Save Frame As...** from the drop-down window to save the receipt to a file on the hard drive of the user's computer.

Note: The NEF represents the Certificate of Service. The Court strongly urges users to copy it to a file on their computer hard-drive, print it, and retain a hard copy.

10. E-Mail Notification of Documents That Were Filed

- a) After a pleading is electronically filed, ECF sends a **NEF** to the designated attorneys and parties who have registered for ECF and supplied their E-mail addresses to the Court. Individuals who receive electronic notification of the filing are permitted one "free look" at the document by clicking on the associated hyperlinked document number embedded in the **NEF**. The user is permitted one free look at the document *and* the Docket Sheet to verify that the pleading was properly docketed. The system virtually marks or records the viewing of the docket sheet and document when the user inserts his PACER login following the click on the hyperlinks. The Court strongly urges users to copy the **NEF** *and* pleading documents to their hard-drive for future access. Subsequent retrieval of the case docket sheet and pleading from ECF must be made through a PACER account and is subject to regular PACER fees.

Note: It is the responsibility of users to send hard copies of the pleading and NEF to attorneys and pro se parties who have indicated they do not have E-mail accounts. The ECF filing report also displays the names and addresses of individuals who will not be electronically notified of the filing.

- b) **Notifications in Regular Civil Cases**
Users will be asked to insert their PACER login and password when clicking on hyperlinks within e-mail notifications. In this scenario, the system is virtually marking or recording that the recipient is receiving the first free look.
- c) **Notifications in Social Security Cases and Asset Forfeiture Cases**
Notifications of activity in Social Security cases and asset forfeiture cases, however, are unique in that it is necessary for the system to identify the reader as counsel of record having authorization to view a document electronically. When an e-mail

notification is received and the subject line indicates that it is for a Social Security or asset forfeiture case, the recipient must open a second window and enter ECF using the attorney's ECF login & password BEFORE clicking on any of the e-mail hyperlinks. The recipient may then go back to the e-mail notification window and click on the hyperlinks (using their PACER login & password) to view the electronically filed document.

- d) **Notifications of Electronic Orders or Clerk Notes**
The Court may enter an “electronic order” or “so ordered”. An electronic order is an order that exists only in an electronic format - there will be no paper or PDF order. E-mail notifications of electronic orders will contain just a hyperlink to the docket sheet for the case and not to the document filed. There is no PDF file uploaded during this Court transaction and therefore the record of the entire order is solely the docket text which is created and viewable on the NEF.

The same will be true of clerk’s minute entries. Minute entries are handwritten summaries of Court proceedings. The Deputy Clerk will enter this information directly into ECF without attaching a paper record. As with “electronic orders”, there is no PDF file uploaded during this Court transaction for “minute entry” and therefore the record is solely the docket text which is created and viewable on the NEF.

1. Select the type of document to file.

Select **Criminal** from the blue menu bar at the top of the ECF screen. The Criminal Event window opens displaying all of the events available to the user. This section of the User's Manual describes the process for filing a

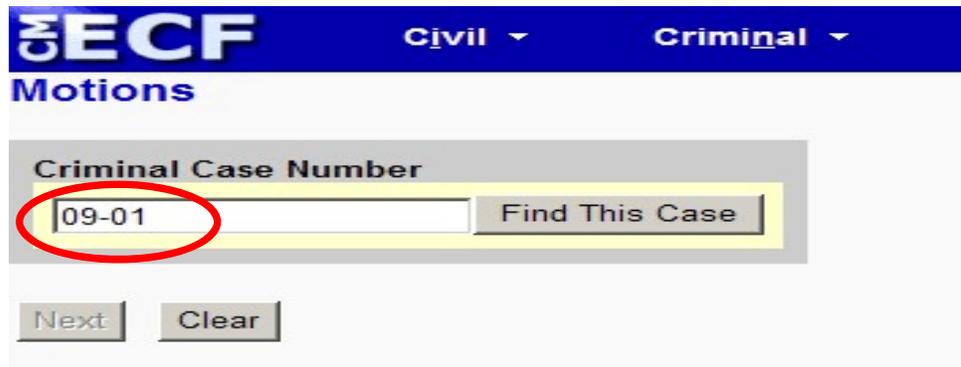

Motion in ECF. The process is similar for filing other documents in ECF.

Click on **Motions**, under Motions and Related Filings.

2. Enter the case number in which the document is to be filed.

A new screen opens with a Case Number field. Enter the number of the case in which the motion is being filed and click on [Next].

- 1:09-cr-00001-1 Jane Doe
- 1:09-cr-00001-2 Joe Fugitive

 At the bottom of this section are 'Next' and 'Clear' buttons.

4. Designate the party or parties filing the document.

The screenshot shows the ECF Motions interface with the 'Pick Filer' section. The top navigation bar includes 'Civil', 'Criminal', 'Query', and 'Reports'. The 'Motions' section is active, and the case '1:09-cr-00001 USA v. Doe et al' is selected. The 'Pick Filer' section has a tree view on the left with 'Collapse All' and 'Expand All' buttons. VIII. Add/Create a New Party

This may generally occur when filing amended complaints, third party complaints, etc. If the party being added is not listed in the “Select the Party” screen, click on **New Filer**. The screen depicted below will appear. If the user believes that the party should already appear on the docket for a given case, please contact the Clerk’s Office for assistance.

- B. If a match is found, ECF will display a list of party names. If the name of the party being added appears in the list, click on it and then click **[Select Party]**. Review the party information and select the party’s role in this filing. Click **[Submit]**.
- C. If a match is not found, or the party does not appear in the list, click **[Create new party]**. ECF displays the following screen.

4. Leave all other fields blank.

IX. Linking Documents

Some pleadings such as Responses, Briefs and Appendices should be “linked” to their related documents in the case. When filing these and certain other types of documents a user is presented with the following screen.

The screenshot shows the ECF system interface. At the top, there is a blue navigation bar with the ECF logo and dropdown menus for 'Civil', 'Criminal', 'Query', and 'Reports'. Below the navigation bar, the page title is 'Briefs, Responses and Replies' followed by the case number '1:99-mc-09999 Plaintiff(s) v. Defendant(s)'. X. Query Feature

Users should utilize this feature to query ECF for specific case information. To enter the Query mode, click on **Query** from the **Blue** menu bar of ECF.

ECF opens the **PACER Login** screen. Users must enter their **PACER** login and password before ECF permits them to query the ECF database.

The image shows the 'Query' data entry screen. At the top, there is a blue navigation bar with the ECF logo and menu items: 'Civil', 'Criminal', 'Query', 'Reports', and 'Utilities'. Below the navigation bar, the word 'Query' is displayed in a large blue font. The main content area is a light yellow box containing several search criteria fields: 'Case Number' (with the value '1:99-mc-9999'), 'Case Status' (with radio buttons for 'Open', 'Closed', and 'All'), 'Filed Date' (with two date input fields and a 'to' separator), 'Last Entry Date' (with two date input fields and a 'to' separator), 'Nature of Suit' (a dropdown menu with options '0 (zero)', '110 (Insurance)', and '120 (Contract: Marine)'), 'Cause of Action' (a dropdown menu with options '0 (No cause code entered)', '02:0431 (02:431 Fed. Election Commission: Failure Enforce C)', and '02:0437 (02:437 Federal Election Commission)'), 'Last/Business Name' (with an input field and examples 'Desoto, Des*t'), 'First Name' (with an input field), 'Middle Name' (with an input field), and 'Type' (with a dropdown menu). At the bottom of the form are two buttons: 'Run Query' and 'Clear'.

Query the ECF database by entering the name of a party or an attorney to the case. Enter the last name of the party in the appropriate field. If more than one person with that name is in the database, ECF returns a screen from which to select the correct name (Figure A). Click on the name of the party and ECF will open the query screen depicted in Figure B. If the individual is a party to more than one case, ECF will open a screen listing all of the party's cases. Click on the case number hyperlink and ECF opens the query screen depicted in Figure B.

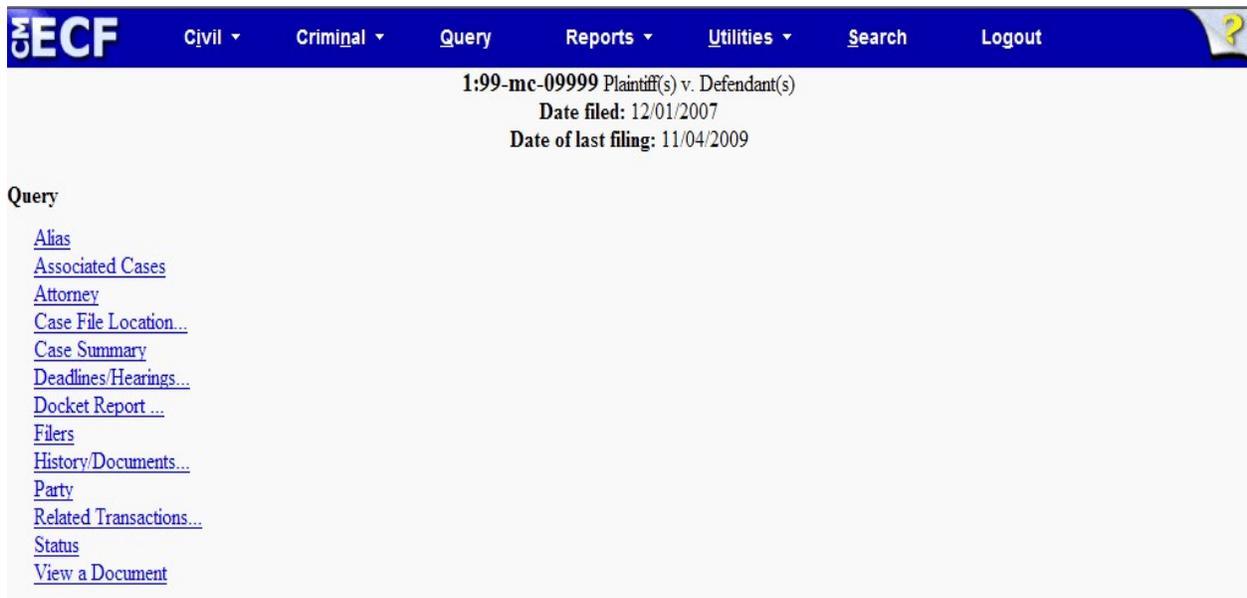

Figure A

After querying the database by case number, name, or nature of suit, ECF opens the **Query** window for the specific case selected. See Figure B.

A case may also be queried by the nature of suit. Enter a range for either the filed date or the last entry date in order for the query to run. To search for all cases of a certain type, use the date 1/1/1970 as the "beginning of time." If there is more than one case that meets this criteria, a screen similar to the one in Figure A will appear, but listing multiple case numbers.

Figure B

At the top of the window, ECF displays the case number, parties to the case, presiding Judge, date that the initial claim was filed, and date of last filing for the case. Specific case information may be selected from a large list of query options by clicking on the appropriate hyperlinked name on the screen. The following paragraphs describe several of the available case-specific query options.

A. Attorney

Displays the names, addresses, and telephone numbers of the attorneys who represent each of the parties to the case.
