[Note: with prior authorization, the maximum applies separately for each service provider; without prior authorization, the maximum applies to the aggregate compensation (excluding expenses) claimed by all services providers combined, not to each service provider individually.]

Services were completed on or after January 1, 2016.

With prior court authorization	\$2,500
Without prior court authorization	\$800

If services were completed before January 1, 2016, the maximum with prior court authorization is \$2,400 and without prior court authorization remains at \$800.

For capital representations commenced, and capital appeals perfected on or after April 24, 1996, there is a waivable limit of \$7,500. The \$7,500 limit applies to the total payments for investigative, expert, and other services in a case, not to each service individually.
