

Roberts, T. Booth

Clerk of the City Council. - At the first meeting of the City Council after the late election, Mr. Wm. H. Wiggins was elected Clerk for the ensuing year. Mr. Wiggins is a worthy man, and it is said, will make an excellent clerk. T. Booth Roberts, Esq., the late clerk (and who is now clerk of the District Court,) is one of the best clerks in the United States. He writes a beautiful hand, and is one of the most amiable, courteous, gentlemanly and accommodating men in the world- his whole family are celebrated for their courteous, gentlemanly bearing- we hope soon to see him in a situation where his qualifications and talents will be more liberally remunerated than they have been.
