Step 5

Next, create a password. It must contain 12 or more characters and cannot include commonly used words or phrases. In the **Password** and **Confirm password** fields, enter and confirm your password, and then click **Continue**.

The screenshot shows a web form for creating a password. At the top, a green notification bar states 'You have confirmed your email address'. Below this, the heading 'Create a strong password' is followed by instructions: 'Your password must be 12 characters or longer. Don't use common phrases or repeated characters, like abc or 111.' The form contains two text input fields: 'Password' and 'Confirm password', both filled with dots. A checkbox labeled 'Show password' is located below the 'Confirm password' field. A blue 'Continue' button is at the bottom of the form. Red rectangular boxes highlight the 'Password' and 'Confirm password' fields, the 'Show password' checkbox, and the 'Continue' button.
