

Wales, Leonard

Clerk of the District Court of Delaware. - Leonard Wales, Esq., a young lawyer, son of Hon. John Wales, has been appointed in place of T. Booth Roberts, resigned. Mr. Wales may make a good clerk. We are not acquainted with his qualifications. It seems strange but suppose it is true, that nearly all the offices, little and great, are made for lawyers. Mr. Roberts was a most excellent clerk. We hope Mr. Wales may be as good.
