

REVISED COURT REPORTER MANAGEMENT PLAN

The District of Delaware has revised its Court Reporter Management Plan, a copy of which is available at: <http://www.ded.uscourts.gov/transcripts>

The revised plan was approved by the Judicial Council of the Third Circuit on May 16, 2017. The revised plan appoints the Clerk of Court as the Court Reporter Supervisor, responsible for managing reporting operations of the district. This will take effect immediately.

Additional provisions include guidance to court reporters and the bar on the court's expectations, promotion of consistent practices among court reporters, the creation of a uniform method of ordering transcripts, and maintaining compliance with the policies of the Judicial Conference of the United States. Full implementation of the plan will take place in the fall after court provided training of the new transcript ordering process.
