MEMORANDUM ORDER

Plaintiffs' Motion for An Order Authorizing the Issuance of a Writ of Attachment *Fieri Facias* (D.I. 2) is DENIED as it was not filed by counsel authorized to practice before the Court. The Clerk's Office inadvertently allowed Mr. Ford to make electronic filings. Although Mr. Ford is a member of this Court's bar, he does not have a Delaware office and he is therefore not authorized to make filings with the Court unless and until the Court has approved an application made by him under Local Rule 83.5(f)(2).

Further, given the nature of this case, the Court does not believe that exceptional circumstances exist to justify approving an application by Mr. Ford

under Local Rule 83.5(f)(2).¹ Accordingly, if Plaintiffs wish to pursue this matter in this Court (as opposed to the District of Connecticut, which appears to be the appropriate forum where Plaintiffs should seek the relief requested in their motion), Plaintiffs need to retain a Delaware lawyer with a Delaware office.
